Summer 2019 Programs

Seattle's environmental education staff offer programs at parks throughout the city. These programs are hands-on experiences employing games, props, and activities to enhance the learning adventure. They are developed to give people a positive experience outdoors and a sense of community and connection with our green spaces. Every quarter, new programs are offered based upon the seasons and the interests of the public. Pre-registration is required for all programs so create an account and register on-line or give us a call and register today.

206-386-4236

Please remember all children must be accompanied by an adult.

Please take note of the location of each program. We offer programming at locations all over the city so there are many different options. The location is listed underneath the program title.

Registration

Go to www.seattle.gov/parks and click on sign up for activities. You need to create an account in order to register online. Once you created an account, use the activity number listed in the program description. The activity number is listed next to the program date.

Another way to register is to contact Discovery Park **206-386-4236** or Camp Long Environmental Learning Center **206-684-7434** and a staff person can register you for the program of your choice.

Tidepool Walks

Low Tide Beach Safari at Me-Kwa-Mooks

Emma Schmitz Viewpoint/Me-Kwa-Mooks

Ages: 6 and older **Fees:** \$10/person

Search for tidepool animals with a Seattle Urban Nature Guide during these summertime low tides. Learn a bit of beach ecology; decide which animal is the most colorful – a sea star, a sea anemone, or a sea slug.

Dress for windy weather and wear shoes that can get wet and handle slippery surfaces.
